# KALEA PLUS & KALEA

## Unrivalled speed, performance and quality

Kalea Plus guarantees high performance, high quality and immediate ease of use. With Kalea Plus, enjoying drinks based on coffee beans and fresh milk has never been so simple. The application of innovative technologies, combined with the tradition and culture of Italian espresso coffee, delivers unrivalled results for even the most discerning of palates, providing a unique pleasure, sip after sip.

The intuitive touchscreen interface guides the user in selecting their favourite drink. In addition to the possibility of applying different backgrounds for the touchscreen, Kalea Plus allows the creation of a fully customized drinks menu.

## Good looks team up with functionality

Kalea is the ultimate way of offering quality coffee. Get used to being able to offer a delicious menu of coffee drinks, all of them perfectly made, from the authentic Italian espresso to frothy cappuccino and latte macchiato, to name just a few. Kalea, from Necta: it's Italian quality coffee at your fingertips.
